

**NOW YOU TOO CAN HELP IN PLANNED  
DEVELOPMENT OF OUR CAPITAL CITY...**

# BLUIS

## BHUBANESWAR LAND USE INTELLIGENCE SYSTEM

- BLUIS has geo tagged all government land in Bhubaneswar.
- It safeguards these lands by using **Satellite Imagery** and **Artificial Intelligence**.
- BLUIS alerts public authorities if any **misuse of government land is detected**.

Citizens can also use BLUIS Mobile App on a crowdsourcing mode to alert authorities of any encroachment that they observe on public land.

GA & PG Department

*For more information and how to use BLUIS app, please refer to the citizens manual at [bluis.odisha.gov.in](http://bluis.odisha.gov.in)*

Citizens can download the 'BLUIS' app from Google Play store and Apple App store
